CINDEE TOPAR

for **El Segundo
City Council.**

LEADERSHIP. ACTION. RESULTS.

Vote Tuesday, April 8 for **Cindee Topar** Keep El Segundo right on track

Planting trees. Protecting green space.

Cindee is the only Parks and Recreation Commissioner active in Tree Musketeers. She helped plant 500 trees from LAX to the sea. She led the fight for the new 5-acre synthetic turf Campus El Segundo Athletic Field, saving over 2.2 million gallons of water per year.

Keeping our ocean and beach clean.

Cindee leads by example. She led community beach clean-ups. She is a strong supporter of public restrooms on our beach to ensure that our water quality is clean and healthy.

Protecting our families – young and old.

As a parent and 20-year community leader, Cindee leads by example. As our next Councilmember, she will: work for excellent schools; help develop senior assisted living; be a watchdog over LAX noise and pollution; keep Edison accountable for reliable, safe energy; and make sure that government listens you.

**ENDORSED FOR
CITY COUNCIL BY:**

**Ralph Lanphere,
City Treasurer**

**Jim Boulgarides,
Councilmember**

**Tammy Reeves,
Unified School District**
