The background of the entire page is a photograph of an industrial facility, likely a power plant or refinery, with several tall smokestacks emitting thick plumes of white steam or smoke against a clear blue sky.

**Timothy O'Reilly
DIDN'T protect
our children
from toxic
polluters.**

No wonder police, firefighters and environmental watchdogs OPPOSE Timothy O'Reilly for City Prosecutor.

For fifteen years as a criminal defense lawyer, Timothy O'Reilly kept criminals out of jail.

Then, as our Assistant City Prosecutor, O'Reilly didn't crack down on toxic polluters – even though thousands of our children suffer from asthma.

If that isn't bad enough, O'Reilly didn't even crack down on sex offenders or code violators, like slumlords.

With a record like that, it's no wonder why State Senator Alan Lowenthal, Assemblymember Bonnie Lowenthal, the Long Beach Police Officers Association, the Long Beach Firefighters Association, the Association of L.A. Deputy Sheriffs, and the L.A. County environmental watchdog group – the L.A. League of Conservation Voters – all oppose Timothy O'Reilly.

**Make our neighborhoods safer and healthier.
DEFEAT Timothy O'Reilly on April 13.**
