

# Vote April 10th for ANJA REINKE.

The candidate environmentalists trust to improve our quality of life.

Anja Reinke knows that our City Council must do a better job of protecting our quality of life. An innovative, experienced leader, Anja will fight to protect our parks, improve our air and water quality, reduce airport noise and traffic, and make sure our police and firefighters are the best in the region.

As a parent, 30-year resident of Burbank, and Board member of the Family Service Agency of Burbank, Anja is the only candidate qualified to keep our city a great place to raise families.

That is why the L.A. County's environmental watchdog – the Los Angeles League of Conservation Voters – strongly supports Anja Reinke for City Council.
